3 Bedroom, 2.00 Bathroom, 2,080 sqft
Residential on 0 Acres

N/A, Hudson, NY

This well maintained three level home offers great style with a vaulted ceiling living room that floors seamlessly from the kitchen to the dining room/TV room. As you go upstairs to the second floor you're greeted by a balcony that overlooks the entire living room and leads to three bedrooms and one full bath. The lowest level features a large bonus room that could easily be a family room, office or even a guest bedroom, if needed. There's a second half bath (w/room to convert to a full bath) just off the bonus room, utility/laundry room and mud foyer that leads outside to a stone patio and back yard. There's plenty of room for a pool or even a vegetable garden, if so desired. The house has a recently installed gas furnace, central AC and newer water heater. The drop down attic space can provide lots of storage. Truly one of the best values in the area being so close to the center of town. Just a short walk to Hudson's historic Warren Street, CM Hospital and the Amtrak Station. The Taconic Pway; 15 mins, NY Thruway; 15 mins, and NYC; just 2 hour drive away.
