4 Bedroom, 2.50 Bathroom, 2,848 sqft
Residential on 2 Acres

N/A, Wallkill, NY

Welcome to this stunning, well maintained, immaculate 4 bedroom 2.5 bath colonial home. As you pull into the driveway, you will notice the dramatic mountain views surrounded by private land to make this home your own personal oasis. As you step inside to the living room, your eyes will be directly drawn to the beautiful marble doubled sided fireplace that's also visible from the very large family room area. The open concept of this house makes it very inviting for entertaining family and friends. The massive chef's kitchen with sleek countertops and a large center island with plenty of wood cabinets and large windows for lots of light, is a dream come true for the cooking enthusiast. As you go through the french doors and onto the covered porch overlooking the oversized in ground pool with diving board, you will feel you are finally home. The whole backyard is totally magical and private. As you go upstairs, you will find 4 large bedrooms with a luxurious master suite with a whirl pool tub to soak in after a hard day's work. The lower level area has many possibilities such as a home office, bedroom, family room and home gym. This dream could be yours!
