Residential on 1 Acres

N/A, Saugerties, NY

The quintessential Hudson Valley retreat: This remarkably charming 1920 farm house, only 5 minutes from the Saugerties village center and not much farther from Woodstock either, still feels worlds apart from the noise of modern life, thanks to a truly unique setting. Perched deep in mature woods that adjoin the iconic Snyder Family Farm, a landmark included on the National Registry of Historic Places, the house is reached from a long and tree-canopied private road that winds leisurely past antique barns and lush pastures until arriving at a destination fully equal to the approach: a warm and casually stylish house featuring 3 bedrooms (2 on the ground floor), 1.5 bathrooms, a bright welcoming kitchen, a living room with its original river-stone fireplace, plus a long and sunny bay-windowed dining gallery opening through French doors to a gracious deck and back yard beyond. The vibe is fresh but low-key and low-maintenance, with a new roof and decking installed within the past year. And the setting, shared with only one neighbor, is silent, secluded and guaranteed to make you forget that NYC is only 2 hours away by car.
