Do NOT use Showingtime! Call List Agent Directly. Beautiful five-acre property on a scenic secondary road that is a starring opportunity. Located less than five minutes from the Taconic Parkway (but you don't hear the parkway traffic), and just two hours from Manhattan. The three-bedroom, one bath with double vanity, tub/shower combination ranch, was built in 1965 and lived in by the same family. Beyond the sleeping section, the rest of the 1,847 sq. ft. floorplan is open with a flow perfect for entertaining and out onto a rear patio. The pond attracts a variety of photogenic wildlife. Heated one-car garage with storage cabinets, full house generator, full basement w/walk-in cedar closet, partial A/C. Set back on a rise from the treed road, total privacy can be achieved by adding a fence or dense landscaping along the road and a gated entrance. Otherwise it is wooded on side, rear and across the road. There is a 12 ft x 14 ft. garden shed between the house and pond. Lots of room to add a swimming pool, tennis/sports court or to enlarge the footprint of the house. Properties this special do not come along very often.

Built in 1965
