3 Bedroom, 3.00 Bathroom, 2,241 sqft
Residential on 0 Acres

N/A, Hurley, NY

Prepped and ready for completion! This two story home, in Old Hurley on a no outlet street, has been gutted & reconfigured, and is waiting for your finishing touches! Unfortunately, the owner recently passed away and was unable to complete the planned renovations. Now a three bedroom, three full bath, this house also has a bonus room with closet (bedroom #4 maybe?), a full dining room, a massive back mudroom/den, a pantry, a designated laundry room on the second level, and an envy-worthy primary suite. The first floor has 10 foot ceilings and a wood burning fire place, located in the living room. There is a new, oversized TREX front porch. New central air, new plumbing, and new electrical wiring (including recessed lighting), all in place. Many materials are included in the sale: brand new hard wood flooring for each room, brand new toilets for each bathroom, some lighting fixtures, etc. Some tiling has been completed in bathrooms and laundry room. Professional architectural plans, drawn locally, are available. The hard parts are already done, this house only needs your personal touch to make it a dream home! *MUST BE CASH PURCHASE OR REHAB LOAN*SOLD AS-IS*
