Like New.. Completely Renovated. This house is a perfect blend of old charm and modern style. It has been renovated with energy efficiency and current trends in mind. You will love the spacious living room that connects to a brand new kitchen and dining area. There is also a bedroom, a bathroom, and a laundry room on the main floor. Upstairs, you will find three more bedrooms and another bathroom for your family or guests. The house has been upgraded with a new roof, new systems, and new features. You will enjoy the comfort and savings of the mini-splits that provide central air and heat, the Pella windows that keep the heat in, the foam insulation that seals the gaps, and the LED lights that brighten the rooms. All flooring has been replaced with hardwood in the living areas and ceramic in the bathrooms. On the exterior you'll find new siding and gutters, a gorgeous new paver path leading to the bluestone front entry stairs, along with a newly paved driveway. Step down off the side deck to a lovely paved patio. One of the greatest assets to this offering is its location. It's a short walk to the ever-popular Main Street Millerton, the Harlem Valley Rail Trail and about 15 minutes to the Metro-North Train Station. 30 minutes to the Berkshires. This house is a gem that you don't want to miss.
