N/A, Hudson, NY

Charming 3 bedroom house on a double lot with a huge yard and garden. Ideal location on a quiet street and walking distance to the Amtrack train, Kitty's Market, William Farmer and Sons, as well as the waterfront park. Close to all of the amenities of downtown Hudson- restaurants, shops, galleries and more, but with the tranquility of country living. This renovated 1920's home could be a 3 bedroom, or 2 bedroom with office in the fully finished walkout basement. The whole house was completely gut renovated in 2017, and upgrades include a new kitchen, new bath, and a Nivien hot water system. It features hardwood floors throughout, stainless steel appliances, dishwasher and washer dryer, with plenty of storage space and 3+ parking spaces. Perfect for a family, this Hudson oasis will not last long.
