Residential on 3 Acres

N/A, Kinderhook, NY

Sunnyside Farmhouse circa 1896 welcomes its 4th owners in 127 years, sited on over 3 acres of level land and just a 2 minute ride to Kinderhook Village. This 3 bed, 3 bath home is all about entertaining with the HUGE newer kitchen being the heart of the home with the MOST incredible tin ceiling that I have ever seen. There is a new deck off the family room and a pea stone patio in the rear. The large yard and quintessential red barn make a perfect backdrop for family parties for years to come. The NYS Electric Rail Trail that connects Rensselaer to Hudson is right in your front door so just hop on and bike to Warren St or East Greenbush. Gorgeous original pine floors, a new on-demand hot water system, new furnace, and en suite primary bedroom are just a few more of the amenities that this home offers.
