WOODSTOCK SINGLE LEVEL LIVING!

Classic Mid-century ranch in a quiet, wooded setting - a few minutes' drive to the center of Woodstock. The 3 bedrooms, 1½ baths, good sized living room that opens to a dining room and a galley kitchen flow effortlessly to provide a lifestyle of ease and comfort. The retro kitchen is separated from the dining room by a swinging "restaurant" door, adding a fun touch. Walk out of the 3rd bedroom - currently used as a den - to a fenced deck and garden area for taking sun or enjoying the country air. A separate 16'x20' studio building with heat, A/C and recessed lighting offers a space for creative, fitness or business activities - or simply for extra storage. The 3/4-acre yard is level and surrounded by woods, providing a wonderful sense of privacy. Updates include: 200 amp electric service upgrade, new plumbing for updated baths, an ultraviolet water filter system and an on-demand IBC boiler fueled by a new propane tank. Every window in the home was replaced with Pella windows, the washer/dryer are newer and every closet in the home is cedar-lined! Many of the furnishings are available for purchase. Affordable Woodstock!
