\$995,000

4 Bedroom, 4.50 Bathroom, 3,985 sqft
Residential on 2 Acres

N/A, Kingston, NY

You have to see it to believe it, come and experience some of the BEST VIEWS in Ulster County. Soak in the expansive 180-degree views over the Hudson Valley, stretching as far as the Berkshires. Located on a quiet dead-end road minutes from Kingston & Woodstock and bordering the Bluestone Wild Forest, this 4000 sq ft custom home was built in 2010 with a rare attention to detail, employing only quality materials from the inside out. Notable are the red oak floors, granite countertops, brushed nickel hardware, not one but two gorgeous blue-stone fireplaces and a 40 by 20 heated saltwater pool, surrounded by a beautiful blue-stone patio & outdoor shower. Comfort and efficiency features include prestige heating system; solar panels; efficient four zone heating and two zone cooling; central air; radiant floors (garage/garden level); central vacuum & generator ready. In addition to the attached 2-car garage with radiant floor heat is a detached 2-car garage with a walk-up attic, providing ample room for your car and/or tools collection or an artist retreat. With views from every room in the house, start the day with incredible dawn views. This wonderful home is not to be missed!

Built in 2010
