6 Bedroom, 5.00 Bathroom, 4,354 sqft
Residential on 3 Acres

N/A, Stone Ridge, NY

Steeped in history & nestled among other quaint historic structures in the charming hamlet of Kripplebush, this former stage coach inn still speaks of by-gone days with wideboard floors, big, open interior spaces & a rocking chair porch. The grand & rambling circa 1840 home is quintessential country! Boasting nearly 3 acres on both sides of the road with the Kripplebush Creek dancing in from the woods and through the gardens behind the house, the property provides surprising privacy within a cozy community. Originally the hub of the hamlet, it has also been a general store, post office, a boarding house for local farm workers, and the Kripplebush Bed & Breakfast. With the current owners as stewards over the last 20 years, it has been a retreat and gathering place for musicians & artists, even offering an elegant studio space with stage lighting, large enough for cabaret & chamber music performances. Some might feel this unique old lady could use a bit of a face lift, but her character is rich & her charm intact just as she is. Imagine the ways she could bring your dreams to life!

Built in 1840
