\$1,379,000

2 Bedroom, 3.00 Bathroom, 2,340 sqft

Residential on 18 Acres

N/A, Rhinebeck, NY

Welcome to this exquisite contemporary arts and crafts home nestled just a mile away from the charming village of Rhinebeck, New York. This architectural gem is thoughtfully designed, boasting a harmonious blend of modern sophistication and traditional craftsmanship. With private seasonal views, a garden, a serene zen-like rock garden, and a screened-in porch, this residence offers a tranquil oasis for those seeking a peaceful retreat. As you step inside this three-level house, you are immediately greeted by an atmosphere of light, elegance, and refined taste. The main level features an open floor plan that seamlessly integrates the living, dining, and kitchen areas, creating a perfect space for entertaining guests or enjoying quality time with family. The gourmet kitchen is a culinary enthusiast's dream, equipped with stainless steel appliances, sleek countertops, and ample storage space. Whether you're a seasoned chef or simply enjoy the art of cooking, this kitchen will inspire your culinary creativity. One of the many highlights of this remarkable property is the lovely screened-in porch, which invites you to relax and unwind while basking in the beauty of nature. Imagine sipping your morning coffee or enjoying a glass of wine in the evening, surrounded by the sights and sounds of the outdoors, all while being protected from the elements. The screened-in porch is perfect for appreciating the changing seasons and indulging in peaceful solitude. The attention to detail in this

home is evident throughout, especially in the design of the primary suite on the second floor. Prepare to be amazed by the sheer size of this huge suite, offering a luxurious escape from the demands of everyday life. It exudes an air of tranquility, with its large windows allowing natural light to cascade in, creating a warm and inviting ambiance. Nestled within the suite is a separate glassed-in room for your personal use (gym, study, reading, tv) The en-suite bathroom is a spa-like sanctuary, featuring a soaking tub, and walk-in shower. With a total of three levels, this home provides ample space for living, working, and entertaining. The walkout finished lower level offers additional an living area, bedroom, full bath, storage and work room. The versatility of this house ensures that it can effortlessly adapt to your lifestyle and accommodate your ever-changing desires.
