Super charming and with a very well designed layout offering an easy flow from room to room, this small house does not feel small. Great circulation and plenty of space to spread out with a huge enclosed year round porch and also the 'Bump-Out' addition, now used as the TV room. The kitchen is efficient and easy, the dining room is elegant and the main living room has a beautiful exposed staircase in old oak wood. Three bedrooms upstairs and a full bath, each filled with natural light from so many windows. A separate garage is perfectly situated only steps from the kitchen door and the high wooden fenced yard allows for complete outdoor privacy. Set on a rather large lot this is a very special property. Three minutes from downtown Hudson and five minutes to Amtrak.
