Residential on 18 Acres

N/A, Hillsdale, NY

Set on a bucolic country road, this extraordinary property consists of a beautiful historic home and a large two-story barn set on 18 +/- acres of open fields & woods. The home features handsome rooms with gleaming pine floors, beautiful antique stairs, unique fireplaces, lovely built-ins, & great light. Home has new roof, recent boiler, & was just completely painted (inside & out). Freshly painted barn (exterior) also has a new roof. Bring your vision & style to complete the renovation: kitchen, bathrooms, and, if desired, finish additional 600 sf on second floor. Seller, a fine local builder, would prioritize working with buyers on these renovations. Previously used as an art studio, workshop & gallery the 2000 sf., two-story barn could be reconfigured for many different uses. Equidistant to Hudson and Great Barrington, this quintessential country estate is easy to fall in love with. Sufficient frontage for additional lots. Additional land available. To be surveyed prior to closing. Broker owned.
