A special opportunity to own a very unique property. The longtime home of the Craryville United Methodist Church and Parsonage is ready to take on a new owner and write a new chapter in it's already long and storied history. The church itself stood previously on a lot just up West End Road, it was disassembled there and reassembled where it now stands around 1923. The parsonage was built a few years later. Endless possibilities for live and work or live and play or live and worship exist. Equidistant to Hudson and great Barrington this property sits on a main thoroughfare for both Business and recreation seekers. The parsonage is an arts & crafts style 3 bedroom 1 full bath (zoned residential) home. The church at approximately 1358 sq ft is zoned commercial with a half bath, basement meeting hall and full kitchen. Both buildings will be sold together as they share a well and septic system.

Built in 1930
