2 Bedroom, 2.00 Bathroom, 1,208 sqft
Residential Lease on 1 Acres

N/A, Woodstock, NY

18 Country Club Lane where rustic meets mid century modern in the heart of Woodstock. There is nothing stuffy about this quiet road with old-school Woodstock vibes (i.e. gently winding, with houses tucked away in the woods). Situated on 1/2 acre property, it feels more away from it all than it is. Walking distance to the village shops, cafes, flea market and the Woodstock Playhouse, with a beautiful view of the Saw Kill stream along the route. The 2 bedroom/ 2 bathroom cabin is turnkey and ready to be enjoyed. It features exposed beams, a vaulted ceiling, knotty pine which all draw the eye upward in the cabin's main living space--a mini great-room. This room features an updated, open kitchen, with high end new appliances including a dishwasher and a smart refrigerator, as well as a pantry. Not to mention huge picture windows that overlook the woods bringing the outdoors in. Additionally, the two bedrooms also have vaulted ceilings and ample storage. The two full bathrooms are both updated and tastefully redesigned. The primary bathroom includes a soaking tub perfect for those long winter bubble baths. Plus there is an additional utility/bonus room in the main house with washer/dryer hookup and as separate entrance so it can double as a second mud room should you prefer. One of the favorite features is a fully enclosed porch that gets lots of sunlight, perfect for a mudroom, rocking chairs, or storing bikes, skis, etc. Come check out this incredible, turnkey home that is full of

charm but also designed to capitalize on all the best that the Woodstock lifestyle has to offer!
