This circa 1937 farmhouse underwent a thoughtful renovation in 2023, resulting in complete reconstruction. It now boasts brand-new features, from the mechanicals, plumbing, siding, septic and well, to quartz countertops, new cabinetry, and engineered hardwood floors. Upon entering through the front door, you're welcomed into a light-filled living area, adjacent to which you'll find the kitchen and dining space, complemented by a full bathroom and washer and dryer. Upstairs, two bedrooms await, with a generously sized primary bedroom featuring an en suite spa-like bathroom. Situated on nearly 5 acres with trails, the property also includes a two-car garage plumbed for water and equipped with electrical, as well as a charming garden shed. The original hand pump well still works and transports you back to the early 20th century. The landscaping remains a canvas for your vision; sit on the dreamiest front porch and let your imagination go wild. This property is truly a gem and conveniently located between Hudson and Red Hook.
