Fireworks over the Hudson River from your back yard? That's right! Riverledge Road is a rare Hudson location where you get the best of both worlds in a neighborhood of well-kept homes and a higher elevation to catch Catskill Mountain views and celebratory fireworks from the back yard. From the very word Welcome!, sunlight abounds into a front facing eat-in kitchen leading to an open, airy living room. The main bedroom has it's own half bath en-suite, while two more bedrooms are serviced by a full bath in the hallway. The back yard is spacious and flat enough for entertaining, and even a pool. Through the attached single car garage, you'll be able to enter into a full basement where there's a 2023 Oil/Hot Water boiler newly installed and ample storage, hobby or possible future living space. Features: Central air, hardwood floors, electric stove, refrigerator, dishwasher, washer/dryer and ancillary heat pump.
