Residential on 0 Acres

N/A, Kingston, NY

Welcome to this enchanting 1986 Cedar-sided Contemporary nestled amidst a picturesque landscape adorned with stone walls and flourishing mature plantings, promising tranquility and seclusion in abundance. Vaulted ceilings adorned with skylights illuminate the interior with natural light, while recessed lighting adds a touch of modern sophistication. The soaring windows not only flood the space with sunlight but also offer stunning views of the lush surroundings. Immerse yourself in the sleek and tasteful design that incorporates built-in Contemporary furniture, elevating the home's aesthetic to a whole new level. The wonderful entryway sets the stage for your journey, branching out to the inviting living room and the generously sized family room, which includes a den or a work-at-home office space. The heart of this home lies in the custom kitchen, where sliders open to a deck that feels like your very own private treehouse, perfect for al fresco dining and relaxation. Venture upstairs to discover three ample bedrooms, providing comfort and privacy. Two full bathrooms, one en-suite ensure convenience for both residents and guests. Descend to the finished lower level, which has had the privilege of housing one of the area's best bands. The music room boasts exceptional acoustics, and nearby, you'll find a fantastic rumpus room that offers ample space for entertaining and unwinding. Sliders open to a lower deck, where you can soak in your private hot tub before strolling to the fabulous

hidden in-ground pool and its accompanying pool house. Here, you can create lasting memories with family and friends, all within your own private paradise.
