Residential on 2 Acres

A very special property in the heart of Samsonville's waterfalls district with views of the falls from the back yard, which has its own pond. This 1825 home has been used as a two to three-family home since the 1970s, but can easily be converted back to a single family with an accessory apartment in one wing. Bluestone walls and established gardens surround the house. Three outbuildings (workshop, garage, and chinchilla breeding shed). Upstairs bedrooms have built in dressers and desks. Large front porch for relaxed views of hamlet activity and a quiet back porch with views of the pond, mountains and waterfall. Abundant closets and storage areas throughout the building.

Built in 1825
