The procession to this home takes your breath away every time with one of Cragsmoorâ€™s most beautiful roads leading to the house and stairs down the hillside that open to the stunning mountain view on arrival. But, the views donâ€™t end there! The bright and open floor plan living space includes tons of mid-century and modern vibes with its brick fireplace and cement floors. The living room flows into the dining room and open kitchen and includes oversized sliding glass doors that capture more of the amazing views and open onto the massive deck. A spectacular and ample primary bedroom also looks out onto the mountain views and includes a dedicated full bathroom in addition to a luxurious soaking tub positioned in front of large windows so that you can take a bath and enjoy the sun setting over the mountains. Two additional bedrooms and another full bathroom complete this home. In the unfinished basement youâ€™ll find laundry, mechanicals, and lots of storage space. The home is located near so many great towns for dining and shopping including Ellenville (12 mins), Kerhonkson, Wurtsboro, and Mountaintale (25 mins), and New Paltz
