4 Bedroom, 2.00 Bathroom, 1,714 sqft
Residential on 1 Acres

Where else are you going to find 4 bedrooms in Ichabod Crane school district for under \$300k? Investors take a look! This well lived in home may be just what you are looking for. Not only do you have this home with its lovely flat back yard, but you would also be getting a 3 car garage, a building once used as a pool house with a cute patio, but you also get another building that could be used as an amazing workshop with loads of storage on the second floor, or with a little work maybe even an in-law apartment. All three outbuildings have electric too! The main home could certainly be lived in while you do your renovations too. Located near the park and the walking trail and of course the beautiful village of Kinderhook. Home is being sold as is. Electric needs to be updated, basement has asbestos tiles and wrapped pipes and there is probably lead paint on the wood siding. Home has been priced accordingly. Cash, Conventional or FHA Rehab loans only. Home is being cleaned out.

Built in 1920
