Residential on 19 Acres

N/A, Pine Bush, NY

This is a unique opportunity to own a 18.5 acre log mini-estate set at the base of the Ridge with access to thousands of acres of state land, including Minnewaska. 2 large stocked ponds makes this property a true private oasis.

Bring your quads and horses! Heading inside, you can't help but notice the large front porch, perfect for watching the sunset! Once inside you'll marvel at the 2 story great room with hardwood floors, exposed beams, and a stone woodburning fireplace that's truly the centerpiece of the room. Cook a feast in the large, rustic kitchen. It features a dining area with doors leading to the front deck, granite countertops and plenty of cabinets. Down the hall is a large bathroom and 2 cozy and warm bedrooms, one adjoining the bathroom.

Heading upstairs you'll notice nooks on either side, which could be a home office or maybe a cozy reading area. The primary bedroom is a true hideaway featuring a private balcony with a fabulous view, and a large en suite with a jetted tub. The lower level is a huge open space, with tile throughout and a bar to quench your thirst after a day of fishing and riding the quads! There is an oversized 3 car garage perfect for tinkering, with a finished loft area upstairs which could be anything...hobby, business, storage, craft, etc. Take a walk to the back, and you will find a large field just waiting for horses or your own playground. Keep going and discover yourself in a genuine paradise at the base of the ridge. Words have trouble describing the tranquil feeling of this

land. The view is spectacular and serene. Here you can connect with nature! See public documents for floorplans and area maps. Located in the Pine Bush School District with easy access to the Wine Trail, local eateries, breweries, shopping, and world class outdoor activities including Minnewaska and Mohonk.
