\$700

1 Bedroom, 1.00 Bathroom,
Rental on 3 Acres

N/A, Greenville, NY

Wonderful 1 bedroom apartment with beautiful mountain view. Sit and enjoy your favorite drink or dine off your deck. There is also a large garage that goes with this apartment which is fantastic ..no shoveling your car out of the snow. Tenant pays utilities. Owner pays to have driveway plowed but the tenant needs to move their car if they have it in the driveway so plow can adequately remove snow. Tenant shovels their own steps and deck. This is a second floor apartment so you have stairs to the front door and you also have stairs inside that lead from the garage to the apartment and to where the washer is ..for your use ..very lovely location. tenant will need to provide current credit report and fill out an application with income, employer info. or lawful income source.
