3 Bedroom, 3.00 Bathroom, 3,400 sqft
Residential on 1 Acres

N/A, Hudson, NY

Work-from-home ready and offered with a hot tub just in time for the chilly months, this spacious 3 bedroom home on an ample lot is ideally located just 5 minutes from downtown Hudson. The house has been recently renovated on the first level, and is well configured for entertaining and enjoying good times with friends and loved ones. The living room is spacious and well lit, with views of the gardens and a mature chestnut tree in the front yard. An eat-in kitchen with stainless steel appliances and a spacious dining room are perfect for large groups, and a large deck off the back of the house makes for easy outdoor gatherings too. The main level features a king-sized primary suite, a king-sized second bedroom and room for a queen bed in the third bedroom. There is a large backyard and the house is located at the end of a quiet cul-de-sac. The lower level/walk-out basement, with a third full bathroom, is finished from an earlier renovation, and can be used as finished storage or remodeled for even more living space. With nationally-recognized restaurants, luxury hotels, countless independent shops, and of course a booming antiques scene, Hudson is one the most popular towns upstate for good reason. At 23 Michael Drive, you're a quick drive from highlights like the Maker Hotel/Lounge, Lawrence Park, Lil' Deb's, Cafe Mutton and Backbar. The Amtrak Station is 4.5 miles away, adding to the convenience of this location. Other popular upstate towns are

easily accessible too: Catskill is just a 15 minute drive away, Rhinebeck is 35 minutes, and Kingston and Albany are both just under 45 minutes via car as well. Welcome to Hudson!
