Residential on 5 Acres

N/A, Hudson, NY

Up a long driveway and high on a knoll with beautiful Catskill Mountain views and sunsets, surrounded by acres of conserved farmland, this Colonial style house, on 5 acres, has the best of all worlds. In a very private & quiet location, the five bedroom house has newly redone beautiful wideboard floors, a spacious light filled kitchen with a commercial grade 6 burner stove, new refrigerator & dishwasher. A large butcher block island creates ample room for cooking & prep. The open space flows from kitchen into dining & living areas--perfect for entertaining. The area warmed by the woodstove in winter has windows & French doors opening to beautiful farm & Catskill views year round. A separate dining room which connects to a full bath could easily double as a first floor bedroom, library or work space. Upstairs are five bedrooms, including a primary bedroom with en suite bath, & an additional full bath. A large finished & heated room, over the garage, with views of the Catskills, is an ideal work, studio or exercise space. With a separate entrance & plumbed for a bathroom, it is perfect for additional living space for guests or extended family. A 2 car attached garage opens to a tiled floor mudroom for shoes, coats & boots. Outside, a barn with 2 stalls, water & electric is ideal for animals or a creative studio, an additional shed is for chickens, tools or wood storage & a charming shed that could be a wonderful playhouse or little writing spot. Radiant floors throughout, a top of the line heating system,

new roof & dry unfinished basement with a bathroom. Numerous apple & pear trees & many flowering hydrangeas. Just 10 minutes to Hudson, Amtrak & Hawthorne Valley School & Market, convenient to Taconic Parkway, skiing, golf, wonderful farm stands & Farmers Market. 2 hours to NYC.
