Breathtaking views, views, and more views!
Set way back on top of a hill with lots of privacy, sits this immaculate split-level home. As you enter the front door, you can't miss the dramatic Cathedral /vaulted ceiling with a large open floor plan. The living room has a wood burning brick fireplace, large formal dining room with hardwood floors throughout the entire house. The lower level has a finished family room with large windows and a small wet bar. The Attached 2 car oversized garage with automatic garage door opener makes it very easy to bring in the groceries after a busy day. This home has lots of extra storage. The beautiful deck off the dining room makes it very easy to entertain. As you step down from the deck there's 10.11 lush acres to do whatever you want. This truly breathtaking property is located close the heart of Highland, near tons of shopping, close to Metro North, New Paltz, Poughkeepsie and so much more. A must see!
