Beautiful views and a spacious comfortable home with lots of light literally minutes to Kingston and Woodstock! Enjoy distant views from the front of the house and stone patio and garden views in the private back yard. Enter this home into a large living room with the original 1960's lined planter! There is abundant light and an adjacent den with a stone fireplace and pellet stove insert for those cozy nights. The kitchen has lots of storage and an adjoining dining room with large windows and room for a big table and side board for all of your entertaining! Behind the kitchen is a large quiet office with garden views. Down the hall are two bedrooms and a full bath as well as a large primary with its own full bath and easy access shower. This home has quick access to all major roads and is close to skiing, hiking, the Ashokan Rail Trail and all that Kingston and Woodstock have to offer at your fingertips.
