4 Bedroom, 4.00 Bathroom, 3,900 sqft
Residential on 3 Acres

N/A, Kingston, NY

Just 90-miles north of New York City, you will find this incredible log home perched privately on a hill with panoramic mountain views and bordered by hundreds of acres of state land. The perfect spot to entertain and host with a grand living area highlighted by a beautiful stone fireplace, a 16+ foot ceiling and a wall of windows that leads out to huge wraparound deck. Enjoy the full experience of being in nature with mature trees, landscaping, and fire pit area, all while being 5 minutes to uptown Kingston and just 10 minutes to the villages of Woodstock and Rhinebeck. The home offers huge primary suite on the main living level complete with a walk-in closet and private sliders leading out to the deck. Upstairs you will find a great loft over looking the living area along with two generous bedrooms and a bathroom. Downstairs is a lovely finished basement with high ceilings that has been made into a game room with dry bar. The basement also has another bathroom and an extra room that can be used as a bedroom.
