3 Bedroom, 1.00 Bathroom, 1,420 sqft
Residential on 2 Acres

N/A, Highland, NY

Escape to your very own private oasis in this charming 3-bedroom, 1-bath chalet. Nestled on a sprawling 2-acre lot, this hidden gem built in 1973 boasts 1,420 square feet of living space with captivating vaulted cedar ceilings in living room. A recent renovation has brought new life this home, with open style kitchen with stainless steel appliances, granite counter tops and new cabinets. Large windows throughout bring plenty of sunshine, while the wood stove brings a cozy warmth to this serene retreat. Outside this oasis you have wrap-around decks, providing a perfect vantage point for enjoying your lush, wooded surroundings. The two-acre lot is a nature lover's dream, offering ample space for gardening, hiking, and exploring. A climate-controlled shed provides storage or additional workspace for your outdoor projects. Enjoy the feeling of being far removed from the hustle and bustle of everyday life while still being conveniently located near essential amenities and outdoor recreational opportunities. With Mohonk Mountain and Minnewaska State Park nearby, you'll have a plethora of outdoor activities at your doorstep, including hiking, rock climbing, swimming, and more. These areas are known for their breathtaking landscapes and recreational opportunities. This unique property is a rare find for those seeking a tranquil retreat in a natural setting.
