Residential on 1 Acres

N/A, Saugerties, NY

Beautifully maintained ranch in the heart of Blue Mt is the best way to describe this home. The first thing you will notice walking in is the gleaming hardwood floors in the living/dining room combo. Go through the French doors to the inviting large den complete with a full bath and plenty of closets. Off the dining room is a nice sized kitchen with newer appliances and off the kitchen is the utility room with full size washer/dryer that stay with the home. Also, in the living room you will find a brick fireplace with a pellet stove insert for those cool winter nights or open the slider that leads to the deck for those warm summer days. Follow the hallway to the ample sized bedrooms and the second full bath. Recent upgrades include washer, roof on both house and garage, front steps, windows, rear deck and well pump and water tank. Outside don't forget to check out the oversized one car garage perfect for storage. All this on a 1.2 acre lot close to beautiful Saugerties, Greene county skiing and a hop skip and jump to either Woodstock or Kingston.
