Residential on 4 Acres

N/A, Wurtsboro, NY

OPEN HOUSE: Saturday, May 6th from 11am-1pm! Tucked along a beautifully winding wooded road, this gem of a country getaway is the perfect place to find peace and respite. A wraparound front deck invites you into the home where youâ€™ll find a spacious kitchen that naturally flows into the living room with its double-height ceilings and large windows that let in plenty of natural light. The two generous bedrooms are located on the main level as well as the home's full bath. The second level offers a bonus room that would make a great office, media room, home gym, etc. Thereâ€™s also ample storage space! The home has been impeccably maintained over the years, so it would be easy to personalize the home and maximize its potential with minimal cosmetic updates â€” or even just the furnishings! Sitting on 4 acres, the property is easy to maintain with just enough lawn and plenty of woods to explore. While there is plenty to enjoy right here, the home is close to some great upstate destinations! 10 mins to Mountaintale, 11 mins to Ellenville, and 22 mins to Kerhonkson/Accord. 20-34 mins to some of the areaâ€™s best hiking and just 1 hr 20 mins to/from the GWB!
