Residential on 0 Acres

N/A, Catskill, NY

Opportunity knocks in the East Side Historic District of Catskill! This solid brick beauty has been used for years as professional offices, but was originally constructed in the late 1800's as a residential Townhouse, and could be retrofitted to that purpose. The 10 foot ceiling heights and bright big windows bring a brilliant lightness to the interior spaces of the two main floors. Decks in the rear of the building allow for some lovely outdoor living, from two levels, as well as off street parking. Hardwood floors under existing carpet, curved wooden banisters, arched windows, all ready for this classic buildings' new incarnation! Property location allows waterfront access within a block. Walking distance to all Village of Catskill amenities.

Built in 1800
