\$599,000

3 Bedroom, 2.50 Bathroom, 1,604 sqft
Residential on 1 Acres

N/A, Saugerties, NY

This 1840 house sits on a spectacular lot bordering a gorge with a rushing stream with views in every direction! Enter this lovely home through a 3 season room which shares vaulted ceilings with the adjacent living room, situated to enjoy the lovely stone fireplace. The main floor has a spacious primary suite with a large and stylish bath, a half bath with laundry, a sunny dining area, galley kitchen and a den/office. The upstairs has two bedrooms separated by a catwalk and another stylish bath. Tucked away behind the bath is a large cedar lined room currently being used for a vanity and dressing space. In the center of the lot is a large stone outcrop with a firepit, surrounded by a workshop, a large garden shed, and antique outhouse as well as a two car garage which houses a large studio/workshop! When you want to pop out for an afternoon, this home is close to Saugerties, Kingston, and Woodstock with all of the restaurants, galleries and shopping you could ever want! If nature is your thing, you are surrounded by some of the best hiking trails NY has to offer, including the Ashokan Rail Trail. Options abound and the beauty is endless!
