N/A, Hudson, NY

Charming family townhouse, lovingly cared for by same owner for almost 20 years. A few minutes' drive from downtown Hudson, this semi-detached property has substantial fenced-in side and back gardens with open views to the northwest. Capturing the afternoon sun and evening sunset, this semi-secluded space is ideal for family entertainment and relaxation. Upon entering the house, the front hallway leads to a light-filled living room, and dining room to the rear, both benefitting from a Mitsubishi split unit for additional heating and cooling. The modern open-plan kitchen makes for a spacious and airy ground floor, along with a half bath / utility room with washer dryer. Upstairs are three bedrooms including a large primary suite with ensuite shower room. Two further large bedrooms, a generous full bath and storage complete the house. This property, with a few interior cosmetic touch ups, offers perhaps the best value per finished square foot in the Hudson area. Situated at the end of a quiet street near Greenport town hall, a short distance to all the highlights the City of Hudson has to offer and only two hours to NYC via Amtrak or car.
