3 Bedroom, 3.00 Bathroom, 2,100 sqft
Rental on 10 Acres

N/A, Valatie, NY

A babbling brook runs through this idyllic ten-acre property providing the soothing sound of water flowing over the huge rocks of the Stony Kill. Beautiful during each of the seasons, the three-bedroom Colonial house overlooks sweeping lawns along one side of the stream and undisturbed native trees, bushes, and ferns, on the steep banks across the stream. The heart of the house is the bright and cheerful eat-in kitchen - with views to the outside - which adjoins the dining room and family room on one side and spacious living room with wood-burning stone fireplace on the other. Powder room, laundry and garage complete the first floor. Upstairs, there is the primary bedroom with bath and two other bedrooms sharing another bath. Although secluded in its own world it is not far from the charming main streets of Chatham, Valatie, Kinderhook, and Hudson.
