Just moments from the Hudson Amtrak Station, 34 South Front Street is a mint 2 bed 2 bath apartment with a contemporary open layout in a newly-renovated two unit building. The open-concept kitchen/living area, with a single galley kitchen featuring stainless appliances, has plenty of space for a dedicated dining area and ample room for a sofa in front of the gas fireplace. There are beautiful hardwood floors, tasteful light fixtures throughout and window treatments are included in each window. Central heat and air conditioning make the space comfortable year-round. There are two bedrooms, one with an en-suite bathroom with a large tiled shower. There is dedicated outdoor space off the kitchen that is covered for protection from the sun and elements. The location could not be more ideal, just doors down from WM Farmer and Sons, The Half Moon and Kitty's, and moments from the Hudson Amtrak. Shown by appointment, pets considered case by case.
