Residential on 12 Acres

N/A, Woodstock, NY

Driving through this sweet area of Woodstock, youâ€™ll discover a long, gated driveway leading to a hidden contemporary gem on a massive 12 acre lot, offering serene privacy. Just beyond the gate, youâ€™ll pass a clear and picturesque pond with the most charming little island adorned with a weeping willow tree. A small bridge provides access to the island, creating a magical setting for quiet reflection. As you make the turn past the pond, the home makes its grand reveal. The striking abundance of windows â€“ walls of glass, in fact - allows natural light to flood every corner of the living space and blurs the line between outdoors and in, with the bonus of allowing for passive solar gain. Upon entering, youâ€™ll be drawn to the open layout of the living space with its soaring ceilings. The kitchen is a culinary enthusiast's dream featuring top-of-the-line appliances, generous counter space with a breakfast bar, and a large walk-in pantry with a wine cooler and copious amounts of storage. With four spacious ensuite bedrooms, privacy and comfort are paramount. The primary suite includes the most luxurious bathroom retreat with a deep soaking tub overlooking the grounds, and is conveniently situated on the first floor, ideal for easy multi-generational living. Just down the hall, a sizable office offers a peaceful and inspiring atmosphere. Upstairs, two spacious bedrooms with breathtaking views of the grounds are separated for privacy by an impressive mezzanine with floor to ceiling windows and a

view down to the living area and kitchen. The lower floor provides a private escape with another spacious bedroom and bathroom, perfect for additional family or visitors. This level of the home is a haven of entertainment and relaxation with a cozy den for movie nights, gym area that includes a sauna for unwinding after a long day, and an additional bonus room currently set up as a fifth sleeping space, providing versatility for various needs. A large mahogany deck off the kitchen and living room offers the perfect space for gatherings during the warmer months and the heated gunite pool invites you to take a refreshing dip or simply lounge in the sun on the bluestone surround. The cabana is a perfect escape from the elements, complete with a wet bar, stainless steel cabinetry and refrigerator. This property is located just a few short minutes from the center of vibey Woodstock where you can enjoy the many restaurants, music venues, shops, and galleries, and is a convenient 15 minutes to Kingston, Saugerties, and the Thruway.
