3 Bedroom, 2.50 Bathroom, 1,812 sqft  
Residential on 0 Acres

N/A, Kingston, NY

This is your corner of the world. Tucked away in the Whittier neighborhood with an expansive lawn is an adorable 3 Bed / 2.5 Bath with a deck overlooking the yard, and an oversized 2 car garage. There is a breakfast bar in the kitchen, and an open living dining area with tons of light and warm wood floors. Entertain on the deck just off the kitchen and dining area. Or barbecue on the patio while enjoying a football game downstairs. There's a full bath in the hall, and 3 lovely bedrooms. The main bedroom is ensuite. The owner is currently using upstairs as 2 bedrooms yet it could easily be restored to 3. Downstairs makes live easy. Come in from the garage to a downstairs den/family room. Or use it as another bedroom. There's a great bathroom downstairs and a full wall of handmade, built-in, shelving and storage space/desk space/secret nooks. If you have dogs the lawn is fully fenced and ready to go and the neighborhood is ready to accommodate. Close to Kingston/Rhinecliff bridge, Saugerties and uptown Kingston. A pleasure to show and see.

Built in 1990
