Residential on 0 Acres

N/A, Kingston, NY

Welcome to this charming 3-bedroom, 2-bathroom fixer-upper. This home offers a unique opportunity for those with a vision to create their dream space. Upon entering, hardwood flooring is throughout. The open floor plan allows for seamless transitions between the living room, kitchen, and dining area, providing an ideal setting for both entertaining and everyday living. A cozy fireplace in the living room adds a touch of warmth, setting the stage for relaxed evenings. Off the dining room, there is a three-season room, providing a versatile space to enjoy the changing seasons or cultivate a cozy reading nook. Upstairs, three bedrooms await, accompanied by a full bath, offering comfort and privacy. A true standout of this property is the detached oversized 5-car garage – a haven for car enthusiasts, hobbyists, or anyone seeking additional storage space. With electric already in place, the possibilities are endless, whether you envision a workshop, studio, or a combination of both. Located in desirable Kingston, close to shopping, restaurants, hiking trails, amenities and more. Come and transform this space into a reflection of your individuality and style!
