Residential on 1 Acres

N/A, New Paltz, NY

410 S Ohioville is truly a move in ready home in the heart of New Paltz. This three bedroom, two bath ranch is sited down a private drive setting it back off the road. Previously updated with new hardwood floors, new windows, the kitchen has white cabinets and quartz countertops, new stainless-steel appliances (refrigerator, dishwasher and stove), and a fully remodeled hall bath with custom tile, tub/shower and vanity. Newly added is a 328 sq ft addition, allowing for a reconfiguration of the bedrooms and giving this home a gorgeous primary en-suite bath with separate tiled shower stall and soaking tub plus what is currently used as a home office. This 1-acre lot is tucked away and hosts a private backyard with a patio and a firepit, one-car detached garage. This amazing opportunity also has central air, and propane heat. Best of all it's just minutes to the Village of New Paltz, restaurants, shops, galleries, trails, Mohonk Preserve, and easy access to the NYS Thruway, and so much more!
