WEEKENDS MADE EASY.

Perfectly positioned between Rhinebeck and Millbrook, this contemporary colonial will not disappoint. Sited down a long private driveway and tucked away with no visible neighbors in sight, you'll be immediately impressed with the exquisite grounds & landscaping. Long stone walls, walkways, patios and retaining walls, complemented by mature plantings and fencework all come together to give you one of the best first impressions you can hope for in a property. Upon entry into the home you will notice the pride of ownership throughout. Virtually every square inch of the home has been enhanced or upgraded in some way over the years. Two distinct living areas, one open to the kitchen gives you that open plan concept that's desirable today, yet another larger living space that simply gives you options and flexibility for entertaining or relaxing. Curl up with a book for hours or enjoy time with family/friends, there's space and functionality at every turn. The heart of the home is the remodeled kitchen with granite countertops and stainless appliances. Sliding door leads to a picture perfect backyard oasis with pool and fire pit area. Other creature comforts and upgrades include a best in class EPA certified fireplace, central air, covered back porch/deck in back, whole house automatic generator that can run everything including the pool, tilled and ready-to-go cedar post garden, Visemann state of the art heating system, full finished

basement with full bath, & a new roof in 2015.
Â There's also a 24'x24' workshop outbuilding with power that would make for a great artist or music studio. Those with their own businesses will enjoy private expanded parking in the rear which is excellent for running a business or overflow guest parking. Â It's even the ideal flat location for an inground pool if desired. Everything done with flexibility and convenience in mind. Everything in & outside of the home has been exceptionally maintained and all major systems have been serviced this spring. A meticulous, turn key move-in ready home that works well for both full time and weekend use. Sometimes you get lucky enough to buy a home from a seller who really cares and takes pride in what they do and how they maintain their home. Located in the Hyde Park school district and close to neighboring hot spots, there are plenty of things to do and places to see/enjoy. Â ***
