This Village Colonial, dating back to the 1890s, has undergone extensive renovations in the past few years, including electrical, plumbing, roof, insulation, windows, propane furnace, coal and wood stove, and more. It is conveniently located within walking distance of Main Street and the rail trail. The house features 2 bedrooms, a primary suite, 2 bathrooms and a kitchen that requires some TLC, but offers many potential options. The living room has a fireplace and the chestnut floors are preserved throughout. The original charm of the house is still evident. The laundry is on the second floor. This is a great opportunity to own a piece of history. Close to Train.
