5 Bedroom, 6.00 Bathroom, 3,900 sqft  
Residential on 0 Acres

N/A, Hudson, NY

Located on a quiet cul-de-sac, this 1875 Victorian home boasts 5 bedrooms, all with ensuite bathrooms, a large living room, library, dining room and an additional guest powder room as well as a fully equipped kitchen. Modern touches were added in 2008 when the property was converted into a bed and breakfast, which operated successfully for over 12 years. Two wood burning fireplaces and two gas fireplaces create the perfect atmosphere in winter, and plenty of outdoor space are ideal for entertaining in warmer weather. Period details are found throughout the property including a sweeping front staircase, pocket doors and inlaid hardwood floors. While the home is move in ready, some TLC, offers the buyer an opportunity to apply their own creative touches to make this historic house your home. (interior photographs are staged)

Built in 1875
