3 Bedroom, 2.00 Bathroom, 1,707 sqft
Residential on 2 Acres

N/A, Woodstock, NY

Seeking a secluded and peaceful oasis with a heated pool/hot tub where no cars ever pass and the only thing you'll hear are the sounds of nature? Want complete privacy yet easy access to various charming Catskills towns, including Woodstock and Kingston? If so, this light-filled contemporary is the ideal upstate escape. The first floor features an open plan with vaulted ceilings and multiple skylights that drench the interior in sunlight. Adjacent to the living area is a spacious four season screened in porch with removable glass panels and a heating source which adds approximately 400sf of additional living space (or a total of 2,107sf of indoor living space). Rounding out the first floor are two sizable bedrooms, a full bathroom and a laundry area. The second floor is devoted exclusively to the oversized primary ensuite bedroom with large windows that look out over the pool and into the impressive forest beyond. A separate year round studio building (approximately 120sf) with heating/cooling currently serves as a home gym but could easily be a home office or work studio. Accessible from both the living room and the screened in porch is an outdoor recreation and entertainment sanctuary that includes a bluestone path that leads to a heated pool that basks in sunlight, a large deck for grilling and a large patio area with a hot tub. A charming walking path winds its way through a lovely forest with large pines and hardwoods. The back of the property is surrounded by vacant land giving the feeling of

being on a much larger parcel. The fire pit is an ideal place to gather around for those cool fall and winter nights. A whole house air filtration system complete with HEPA filters cleans the air, ideal for those that suffer from allergies. A whole house backup generator ensures that everything is fully operational in the event of a power outage. New appliances in the kitchen and laundry room. Just 10 minutes from Woodstock and 20 minutes to Kingston and Saugerties. 45-minutes to three ski mountains - Belleayre, Hunter and Windham. One mile down the road is the 60-acre Thorn Preserve with mowed walking paths with wide open views of Overlook Mountain, a sweeping grassland habitat, riparian forest and ponds. An incredibly peaceful slice of nature to compliment the same feeling inspired by 52 Meher. VIDEO WALKTHROUGH AVAILABLLLE UPON REQUEST // IG: @freshairny
