## \$299,000

2 Bedroom, 1.00 Bathroom, 1,620 sqft  
Residential on 1 Acres

N/A, Mt. Tremper, NY

This custom-built Mid-Century Ranch combines multiple large windows to bring in the natural light plus the feeling of a cozy retreat with ceiling beams and a large rustic stone wood-burning fireplace. The open floor plan ties the spacious living room to the kitchen and large dining room. You'll be impressed with the potential this home has to offer. There is a quiet den space located between the two bedrooms which contains a slider to the rear deck providing a perfect spot to relax. Property is situated along Route 28 but the house has a nice setback from the road. The basement has access from the interior of the house and provides a laundry area as well as an outside access door. There is a HUGE detached garage/workshop with extra-high overhead door that can accommodate many different types of heavy equipment, large trucks or your favorite vintage car!..it would also be great if you need a ton of storage, a spacious workshop or a hobby space! This building is 60' x 40' with a 12' Overhead Door. Inside there's approximately 14' from the floor to the bottom of the trusses and the building contains electric. The best part, is living in the Catskill Mountains!..this property is walking distance to the beautiful Esopus Creek renown to fly-fisherman for rainbow trout! Just down the road a short distance to the Catskill Interpretive Center which hosts events and provides information about the surrounding Catskill Mountains, hiking trails, nature walks

and talks and the like. Hiking trails are abundant in the Town of Shandaken as you can imagine just driving through this picturesque areaâ€.the scenery is beautiful everywhere you look!

Built in 1959
