N/A, Hudson, NY

This professionally renovated 1930 Colonial 3 bedroom 1.5 bath home offers hard wood floors, an updated kitchen and baths, wood moldings, and handsome staircase. The first floor flows easily from an entry foyer to a light-drenched living room and dining area. Off the dining area is the modern kitchen featuring farmhouse sink, 5 burner gas range, fridge and dishwasher. All appliances are brand new. There is a new architectural shingled roof too. Plenty of closet space, including foyer closet, living area closet, a linen closet in the upstairs hallway and a huge walk-in closet in one of the bedrooms. The second floor features 2 good sized bedrooms and a small office/nursery. At the top of the stairs is the brand new bathroom with clean finishes and a deep-soaking tub. The kitchen leads to a nice enclosed porch, which in turn leads to the rear deck. From here you can enjoy the birds singing in the large trees that dot your backyard and surrounding properties. Also off of the kitchen, a staircase leads to a full basement with laundry hook ups, dry cement floor and also has access to the back driveway via Bilco doors. Down the street is Oakdale Park which is accessible for swimming and fishing. This location walkable to Warren St. and convenient to shopping on Fairview Ave. Just 5 minutes from Hudson's Amtrak station and only 2 hours north of NYC.
