MLS® #20230410

\$479,000

4 Bedroom, 2.00 Bathroom, 1,892 sqft
Residential on 1 Acres

N/A, Shokan, NY

Complete renovation of a handsome arts and crafts home on a dead-end street, one of the original Ashokan Reservoir farmhouses, with early details and large and inviting spaces. Huge eat-in kitchen with all new appliances and quartz counters can easily accommodate dining, leaving two generous parlor rooms for living space, or one of them for more formal dining. In addition to the four bedrooms there is a heated finished attic space, not included in the square footage, that can be used as media/family/office use. House has plenty of light and is private. There is a circular driveway and a very pretty back yard. All freshly painted with new fixtures, floors refinished, partial new roof. Walking distance to the Ashokan rail trail. Add a rocking-chair front porch and patio space. You have an almost brand-new picture-perfect home. [One of the listing agents has personal interest in the property.]
