When Opportunity knocks... answer it! Here is a lovely well maintained home that has been kept with pride for nearly 50 years, in fact all the original wood trim remains in this classic Kingston home adding to the charm. Like many of the homes in the neighborhood, the front porch is a wonderful feature, this one has been enclosed to enjoy throughout the 3 seasons. The open floorplan on the main level is bright and spacious with a large kitchen that also includes a breakfast area with vaulted ceilings and lots of light. Just off the kitchen is a deck that opens to the fenced in back yard with a single car garage. As for location, you are close to everything including historic Uptown Kingston as well as the Broadway Corridor with theatre, restaurants, and art galleries.

This home is well worth the time and investment to make the cosmetic changes that will suit your needs in a great location in the vibrant City of Kingston.
