Ever dream of owning a large country home on a quiet country road in an up and coming rural country community? Well, here's your chance. Welcome to Round Top. Step inside this well built 4 bedroom/3 bath home set on almost 2.5 acres and let your dream begin. Walk up the steps and pass the covered rocking chair porch. Step through the front door and arrive at the entryway that adjoins the gracious open floor plan consisting of the living room with a vaulted ceiling and French doors leading to a Juliet balcony perfect for a peek of the seasonal mountain view while enjoying morning coffee or evening cocktails. Continue to the dining area and kitchen featuring custom cabinetry, stainless steel appliances, and tile flooring. On to the primary bedroom with a tastefully done en-suite bath with newly tiled walk in shower and a walk-in closet that every fashionista dreams of. Back on the other side of the home you'll find 2 of the bedrooms, the hall bath, and the office which complete the 1st floor. The 2nd floor is where you'll find the 4th bedroom with private bath.
